All Fees must be paid at the time of registration. Unfinancial members are not insured and will not be permitted to take the field of play.

It is the policy of the North West Sydney Football that mini soccer players should not be graded.

At Ryde Cross we firmly believe in this philosophy and every effort is made to group players with their friends/classmates. This also benefits parents/carers who may struggle with transport arrangements. The emphasis in their initial seasons is on fun and development of new skills.
